Congratulations to the Graduation Class of 1993

1993 promises to be a new beginning, filled with unique challenges and technological advancements which will afford you a wide range of career and academic options preparing you for the twenty first century.

It is my sincere hope that the education which you have received at Cambridge Rindge and Latin School has given you the credentials needed to succeed in life.

Kaleidoscope

We, the seniors of Cambridge Rindge and Latin School, uphold a multicultural and diverse student body. It is a beautiful blend of students from different ethnic backgrounds, religions, race and cultures.

The beauty of the Class of 1993 can not only be seen within each individual student, it is expressed in school activities and events. We feel privileged and fortunate that we can move on with our lives after graduation and bring with us the memories and experiences of living with, learning about and understanding one another. Entwined together we were able to knock down the hall of stereotypes. Ahead of us now, lays a path of opportunities and disappointments. Yet, because of our endurance to keep the peace, we are filled with the confidence, motivation and patience to take on the many challenges that life has to offer.

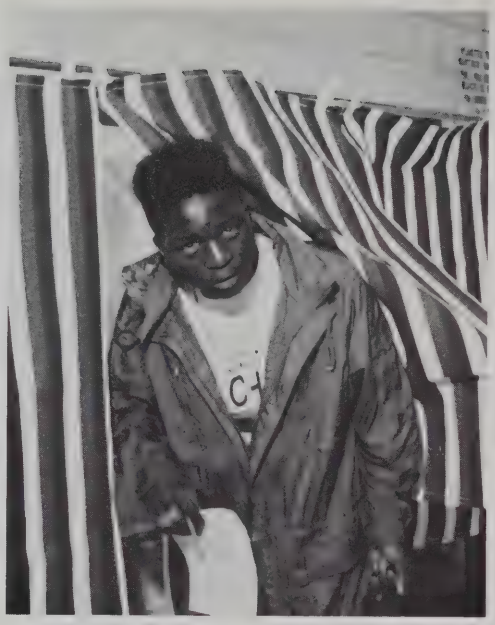

We are honored to be the class that shall lead others to get involved with the joining of races and cultures. That is why we chose kaleidoscope as the name of our yearbook; it truly defines our pride and accomplishments as a growing, colorful, vibrant community.

The Board has already made plans for the prom and has talked to several hotels. Plans are also being made now for a class trip. The board also has members on the yearbook committee and the Principal's Advisory Committee. We also publish a Sr. Newsletter to inform the entire Sr. class what's going on. The biggest responsibility the **Sr. Class Executive Board** has is to keep the class informed and to represent them with pride.

STUDENT LIFE AT CRLS

The time of our lives

Senioritis (se-nyer-i-tus) n. A state of mind in which the affected suffers from chronic laziness, intermittent partying and..severe relaxation, (often accompanied by persistent guilt). It is found only in high school students who are over-worked over-anxious and over the edge. Senioritis is caused by three years of high school.

A continuation of student life

Go away! I'm not going to look up! I'm not going to smile! An artist needs his privacy.

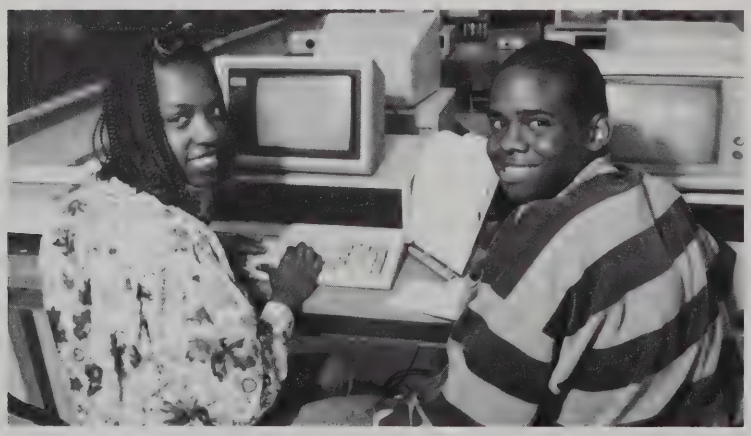

Strike a pose for Democracy, it's Election day! Alex, Willis, Kelly, Suzanne & Molly are ready to cast their ballots.

A typical day with George Greenidge in his gym class. The students are learning what hell is like!

Cambridge Rindge & Latin School students, Ella Spencer and Darrell Martin are always busy, but, never too busy for a smile!

Memories of a day when Cambridge Latin stood by its self! CRLS was formed when Rindge Technical School merged with Cambridge Latin in 1977.

"Shhhhh . . . they're taking a test.

Peek-a-boo, I see you!!!!

Not just a pretty face!

Smiling pretty, these girls can't wait until the period ends.

Busy minds at work!

JUNIOR PROM 1992

Our **JUNIOR PROM** was held on a rainy evening May 8, 1992. The affair was held at the Cambridge Marriot in Kendall Square. The ladies were dressed in short, off-the-shoulder dresses for the most part while the gents wore fancy suits and tuxedos. Black, royal blue & emerald seemed to be the most popular colors. Dinner was served at 7:30 p.m. and an hour later everyone danced to the sounds produced by DJ M&M. The event ended around midnight, juniors left in limos and cars and went to celebrate into the morning hours.

May 8, 1992 was one of the most unforgettable nights of the Junior year.

JUNIOR CLASS TRIP

Virginia Beach was the sight of our JUNIOR CLASS TRIP. For three days and two nights, students rested and relaxed. From the sandy beach to Busch Gardens, students were able to enjoy themselves.

After a long bus ride, the students finally arrive at their destination. After so many hours spent being "couped" up in the bus, it was a relief to finally come out and stretch!!!!!!

"Don't you ever learn? If you don't go away, I'll have to shoot you. And don't think I won't either. You can see what happened to Robert when he tried to mess with me."

Seniors Kevin McManus and Derek Smith are taking a break from the sun and fun at Station One.

At Busch Gardens, students had fun doing various activities. These girls are having a blast on the roller coaster!

Pilot School believes students should have a voice in all issues. Therefore, the students take an active part in the hiring of teachers making rules, regulations, and planning all school activities.

THE PILOT SCHOOL

Excellent academic options and extracurricular activities

The **PILOT SCHOOL** is an alternative high school program located on the fifth floor of the CRLS building. Its students, grades 9-12, are drawn from all areas of the city. Candidates for admission are selected at random after steps have been taken to insure that the student body approaches as closely as possible a representative cross section of the Cambridge school population with respect to sex, geographical area, race and/or ethnic background. There are openings for 50 freshmen students and 10 upperclass transfers in each school year.

Aneish is chillin' out on the 5th floor checking out the girls.

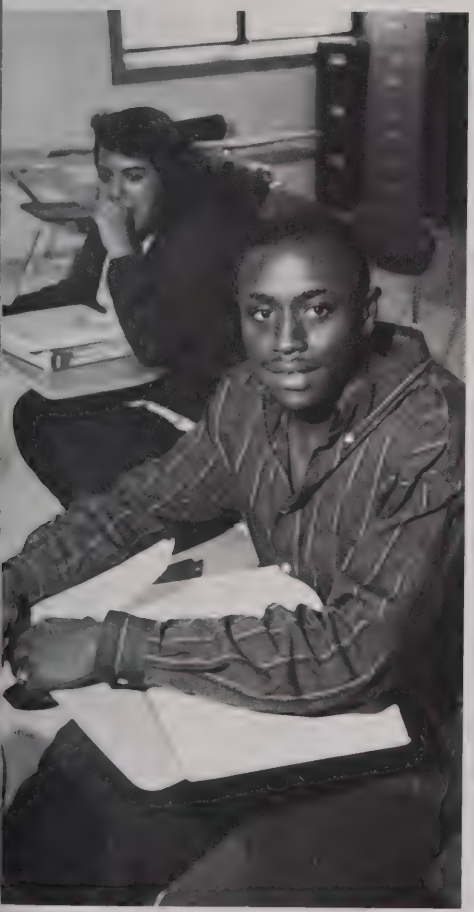

This is our school.

Mission of the Cambridge Rindge and Latin School

In Cambridge, a city of about 100,000, C.R.L.S. serves approximately 2100 students from over 64 nations of origin.

The primary commitment of the Cambridge Rindge and Latin School is the preparation of students to be literate, competent, educated, skilled, informed citizens — appreciative of the arts, capable of critical thinking and problem-solving, and able to function effectively within a complex, interdependent and pluralistic world.

THE FUNDAMENTAL SCHOOL

Traditional curriculum discipline and respect

The **FUNDAMENTAL SCHOOL** with approximately 450 students is located on the fourth floor of the CRLS building. It is administered by an assistant principal and an assistant administrator, and supported by two guidance counselors. The program stresses academic challenge and student accountability, enlisting parental involvement and support in reinforcing the discipline code. The **FUNDAMENTAL SCHOOL** emphasizes the foundation of education in a setting that focuses on the discipline of learning and the development of high standards of achievement, manner, dress, and respect for self and others. As a school-within-a-school, **FUNDAMENTAL** has a strong sense of community among teachers and students. Students in the **FUNDAMENTAL SCHOOL** take the courses prescribed in the **FUNDAMENTAL** Core Curriculum which provides a solid foundation in grammar & literature, mathematics, history, science, foreign language and study skills.

Smiling pretty and standing proud, these six Fundamental Seniors are celebrating joyously. They're finally seniors! Oh! What a feeling . . . !

These are the students from RSTA. Whether standing tall or crouching low, these kids give off a glow of pride and determination.

Why is this RSTA student with Mr. Greenidge looking so happy? Because he gets free drinks and so little cream cheese to eat!!!!

RINDGE SCHOOL OF TECHNICAL ARTS

The Curriculum is interactive, cooperative and project-based

Established in 1988, the **RINDGE SCHOOL of TECHNICAL ARTS** is the second oldest vocational school in the US. Building on this rich history, **RINDGE** is one of the first schools in the country to forge new directions for technical arts education. In the **RINDGE** program, the mechanical arts merge with academic and fine arts. Students learn to use both their hands and their minds. As a result, they develop an understanding of technology and its role in economic and social history.

"I discipline myself

THE ACADEMY

Working together making progress

The **ACADEMY** at Cambridge Rindge & Latin School opened in September, 1990. Consisting of small but diverse community of students working actively to master essential skills and knowledge, the **ACADEMY** brings a new dimension to the range of educational alternatives available at CRLS. Central to its philosophy are six basic principles, they are *Cooperative Learning, Team Teaching, Democratic Decision-Making, Cross-Cultural Education, A Strong Sense of Community,* and *A Challenging Curriculum.*

Students in the Academy enjoy collaborative learning as they witness team teaching and integrated studies.

We are more than pretty smiles . . .

. . . we are your future leaders.

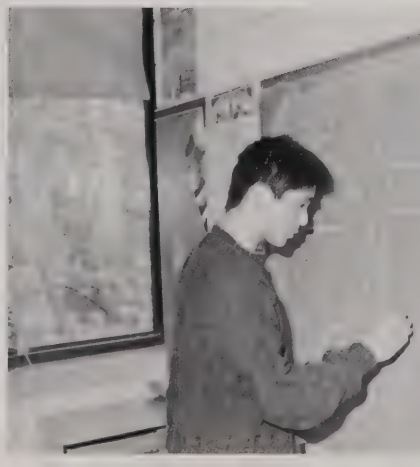

Class of...93

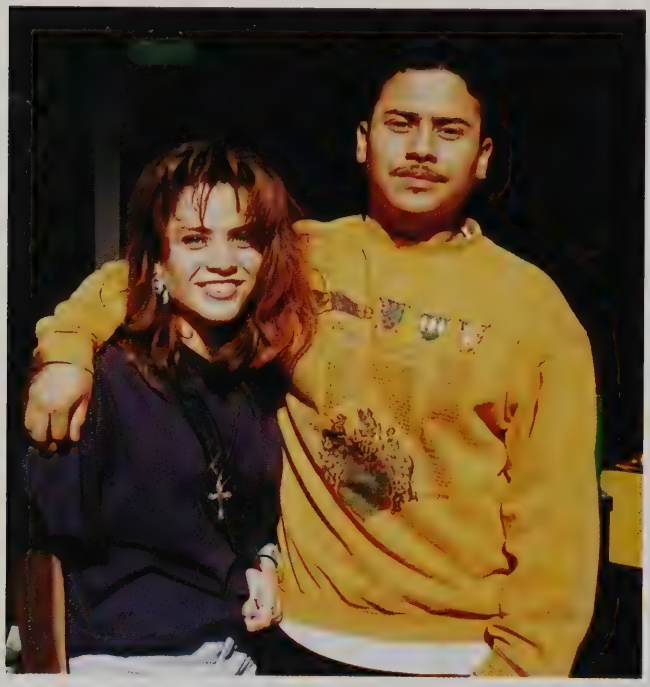

Alexander takes time out to flash a dazzling smile for the camera. With that incredible smile, he must be real popular with the girls.

Five beautiful princesses. (left to right) Li-Ting Hu, Monica Veiga, Malika Moses, Jill Oliver and peeking behind the scene Natalie Sousa.

Senior Executive Board member Marco Bonilla puts his arm around Vicki Tamayo. Don't these two make an attractive couple?

These three kids are using the school library's resources to do their homework. Two of them have finished and are now watching their friend suffer through a case of writer's block.

We must leave a message that will inspire you who read this. Never forget your dreams and never give up on things you really want. We know this sounds "corny," but it's so true. You, as an individual are unique. And thus, you can offer this world something that no one else but you can. In those darkest times when despair seems to conquer, don't give up. Instead, embrace life head on. Face up to your problems and you will eventually see the light shine through.

GOOD LUCK *Class of 1993!* May success grace your long and prosperous future. And with this wish we leave you . . .

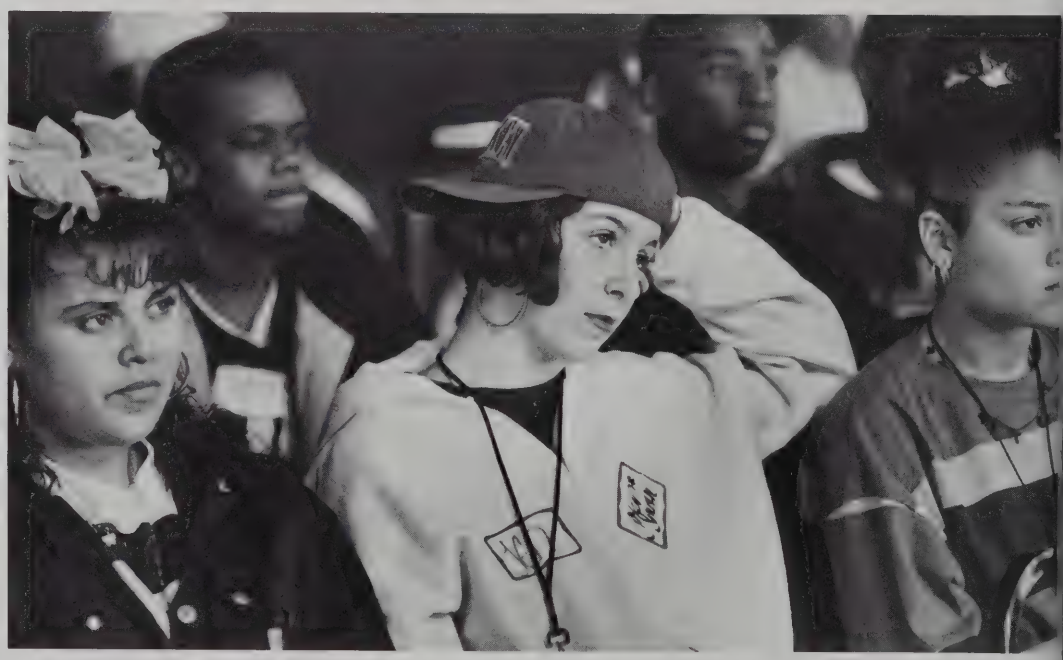

We are not a school of violence.

During the 1992 school year some incidents of violence broke out involving Rindge & Latin students. In one of the events the end results was the death of an innocent M.I.T. student, who was stabbed to death. The following two weeks after the tragic incident another stabbing took place by another student. The victim this time was a Harvard student, but he recovered from the stab wounds.

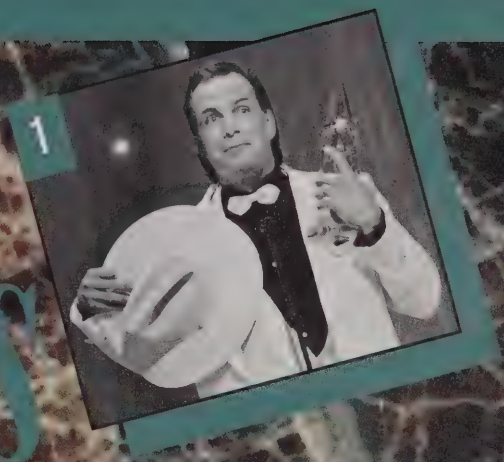

Cambridge Rindge & Latin School does not promote or condone violence. The students & staff held a march and rally in protest of all the violence, and to express their sympathy to the victim's family. This opened up the eyes of many people in the community and caused them to take action to solve these problems. Cambridge Rindge and Latin now trains staff and students in Mediation to help solve problems and conflicts before the violence occurs. Now we travel a new path in order to make some changes before the past repeats itself.

1 The cola wars took on a new twist as marketers made everything perfectly clear. Coca-Cola and Pepsi jumped on the trend bandwagon for clear liquid products, hoping thirsty buyers would think light is better.

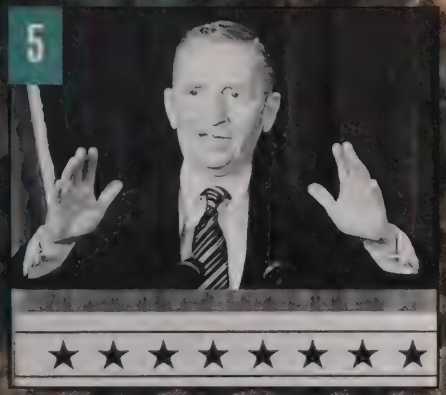

2 Chicago Bulls' Michael Jordan shot the ball past the defense as the Bulls defeated the Portland Trail Blazers in the finals and won the NBA Championship. This was the second year in a row the Bulls made it all the way to the top.

3 Replicas of Christopher Columbus's ships, La Pinta, La Santa Maria and La Niña set sail from Spain in a historical reenactment commemorating the 500th anniversary of Columbus's voyage to America.

4 Spike Lee directed the bio-pic *Malcolm X* with Oscar-winner Denzel Washington as the slain civil rights leader. The movie spawned $100 million in clothing and merchandising sales, making X a fashion as well as a political statement.

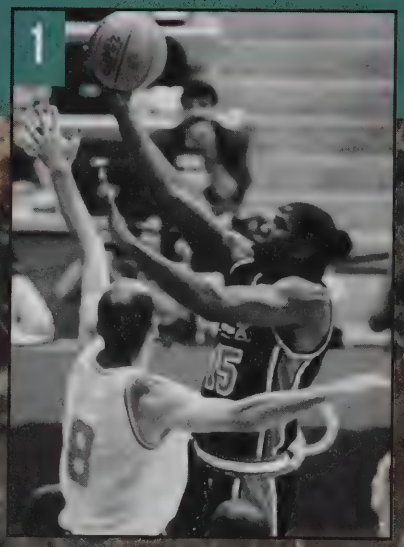

5 Plain-speaking Dallas billionaire H. Ross Perot, whose presidential candidacy attracted large numbers of voters, formed the grassroots group "United We Stand, America," to watchdog Clinton and the U.S. deficit.

4 Madonna dominated the media promoting a movie, a book and an album. The Material Girl managed a record $60 million deal with Time Warner to form her own multimedia company.

5 The comedian host of "Late Night With David Letterman" for 11 years on NBC switched networks. CBS offered Letterman, a favorite of the younger audience, a $42 million deal.

6 The U.N. allies airlifted food supplies to Somalians devastated by drought and civil war. The U.S. dispatched marines who cleared a path through looting and fighting so supplies could reach the starving.

7 The second year of the Lollapalooza Tour, part rock concert, part circus, featured rapster Ice Cube along with Pearl Jam, the Red Hot Chili Peppers and others. The Concourse of Oddities and Curiosities drew the alternative crowd.

IT WAS A DIRTY JOB BUT SOMEBODY HAD TO DO IT!

To the folks of '93: Project YEARBOOK *s a success! Oh sure, we had a slow start and bumpy ride, but after all the yelling and creeching, hair pulling, kicking, head slapping, and a little crying too, the yearbook staff finally got down to business, pulled ourselves together and produced CRLS's best yearbook ever!!!*

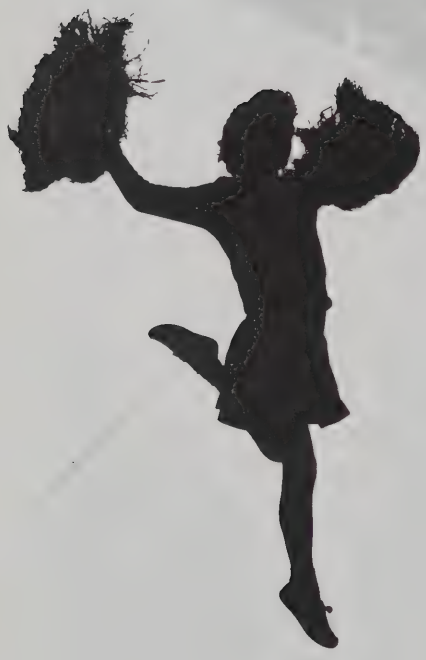

We, the yearbook committee of 1993, have worked hard to include as many of our classmates as possible! We hope we have captured the most important memories of our great years at CRLS. As Communications Editor of this yearbook, I and the rest of the yearbook committee happily present to you, the ***Class of 1993, your yearbook KALEIDOSCOPE!***

CLUBS

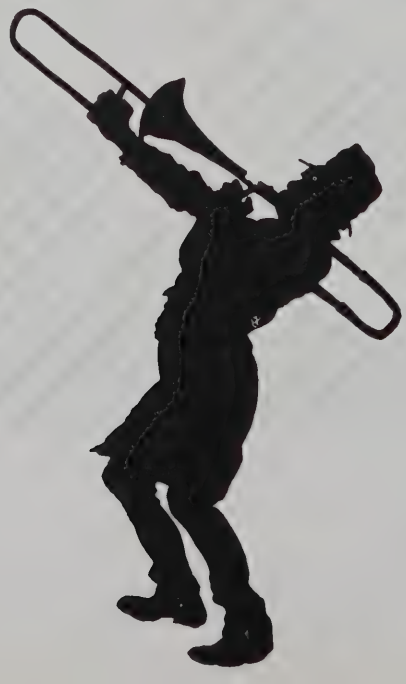

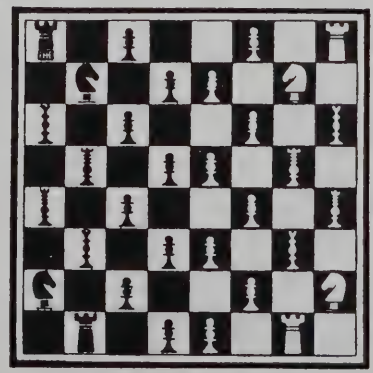

YOU
JUST
HAD TO BE
THERE

ALPINE SKI CLUB

The Alpine Ski Club takes about 10 trips a year to area mountains and one major weekend trip toward the end of the school year. Students do group fundraising to offset costs of trips. One example is "bagel in the morning" where ski club members sell bagels to incoming students.

CHESS CLUB

The Chess Club is a good time to socialize and meet new friends as well as brush up on your game. We also hook you up to challenge the computer. We enter the Greater Boston Chess League and meet with other local schools to play one another.

CREW CLUB

The Crew Club had a very successful year. Members got to learn all about handling a rowboat and most importantly had fun. They had many competitions against other schools and crowned it at the end by competing in the "Head of the Charles" Regatta.

BLACK STUDENT UNION

The BSU organizes students to promote understanding and appreciation of Africa-American culture and heritage and the diversity within the CRLS community. Activities include: Annual Kwanza and Black History Month assemblies; participation in the CRLS Martin Luther King, Jr. Assembly; and a "Celebration of the People" banquet. The BSU gives annual scholarships to active members based on leadership, service, and club spirit. The club's slogan is "BSU — A Body that Builds Pride."

KEY CLUB

Key Club is a Service Organization for high school students which operates under school regulations and draws its membership from the student body. Key Club is sponsored by a local Kiwanis club, composed of the leading business and professional men of the community. Key Club's aim is the development of initiative, leadership ability, and good citizenship practices. Key Club functions not only on the local level, but on a district and international level.

NATIONAL HONOR SOCIETY

The N.H.S. is an organization which focuses on the leadership, character, scholarship and service of our students. Once inducted, students engage in peer tutoring giving assistance to the School Volunteers and/or services both inside and outside of school.

K.B. CLUB

KB helps those in need through non-profit activities such as dances, flower sales, clothing and food drives and visitations. The tradition of the club is one of academic competence and leadership. It is the hope of the club that membership will reflect the ethnic and social diversity of the student body.

EAST CAMBRIDGE SAVINGS BANK

Teaches students about the banking business.

FRENCH CLUB

Club activities include: movies, French library, museums, dinners, both potluck at students' homes and in restaurants. Fund raising to defer annual trip (in the past we went to Montreal and Quebec.)

ASIAN CLUB

The Asian Club has grown over the past years. By the name "Asian Club" one would probably think that only Asians are allowed to join, but that's not the case; we also have members from Italy, Barbados, the U.S., the Middle East as well as the Asian countries.

JOBS FOR BAY STATE GRADUATES

Employment agency for Seniors.

LAW CLUB

This club is an extension of the school's formal law classes affording all students, staff, community and their guest-participants opportunities to meet on an informal basis with all kinds of contemporary judges, lawyers, police, probation officers, clerk-magistrates sheriffs, and district attorneys.

PORTUGUESE CLUB

The Portuguese Club members do service for the Portuguese community, fundraising for scholarships for seniors for have been active members for four years.

STUDENT SCHOOL COMMITTEE

The Student School Committee is mandated by the State Department of Education. This body meets with the elected Cambridge School Committee. This committee may also ask for a special hearing when necessary to discuss student concerns.

ITALIAN CLUB

The Italian Club is open to all students, Italian classes are not a prerequisite. Club activities include potluck suppers at student's homes and in restaurants. They fundraise for their annual trip to Italy during the April school vacation.

SCIENCE TEAM

Members compete against other schools. Last years Science Team finish first in the state of Massachusetts. Then they went on to Auburn, Georgia to compete in the Nationals.

MASS PEP

These are the students who are interested in a possible career in Engineering. Through a series of after-school classes and field trips, all aspects of engineering are explored.

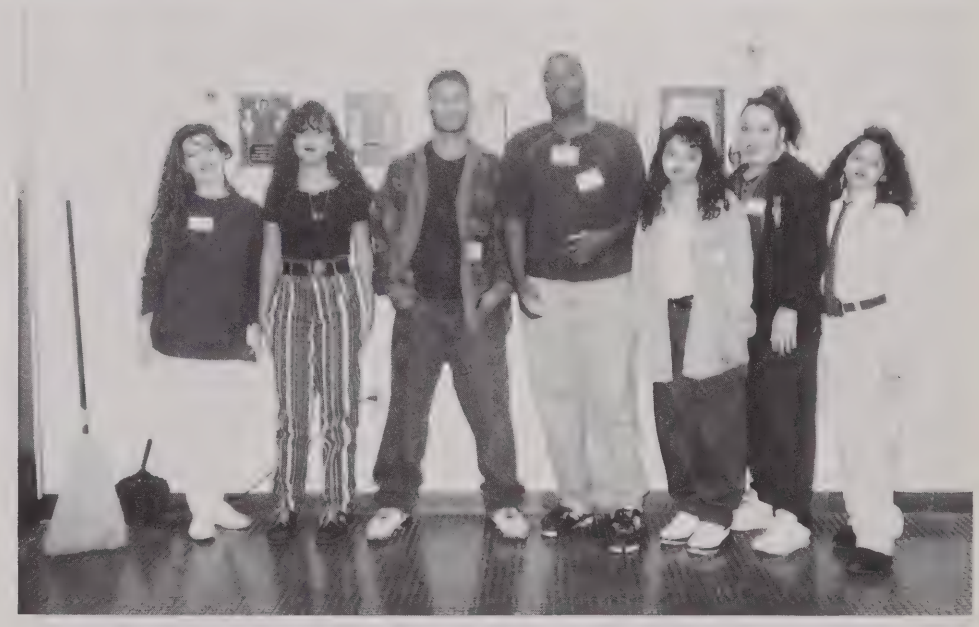

ONESIMUS CLUB

This Club is composed of a multicultural group of students and faculty working to develop curriculum that hopefully will be piloted by some teachers this year. It is an educational process designed to transform the CRLS curriculum into a multicultural entity.

MEDIATION

Students and staff are able to resolve disputes in an atmosphere that is non-coercive, non-judgmental and non-punitive. The students voluntary attend mediation sessions and with the help of trained student and staff mediators work in reach a mutual agreement.

PROJECT 10 EAST

Project 10 East is an award winning club whose goal is to end homophobia and heterosexism while providing affirmation for our gay, lesbian and bisexual students and staff, Project 10 East is a group of gay and straight students who work towards creating a caring community.

HAITIAN CLUB

We participate in the KWANZA celebration, Caribbean Culture Week and promote Haitian culture.

WILDERNESS CLUB

We meet during the fall and spring, concentrating on camping, rock climbing, canoeing and weekend trips.

RUSSIAN CLUB

SPORTS

I love the game . . . if you play hard it's just as good as winning.

ATHLETES IN ACTION

"A YEAR TO REMEMBER"

Jenn shows off her athletic prowess by expertly bumping the ball over the net.

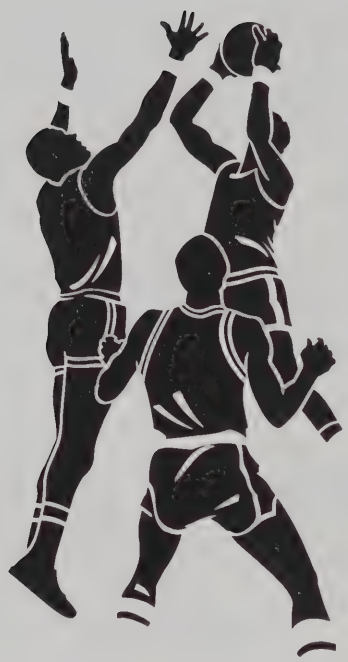

Ameer has been playing golf all day and judging by this photo, is enjoying himself a lot. Here he tries to measure the distance of the ball to his club as he prepares to swing. Four!

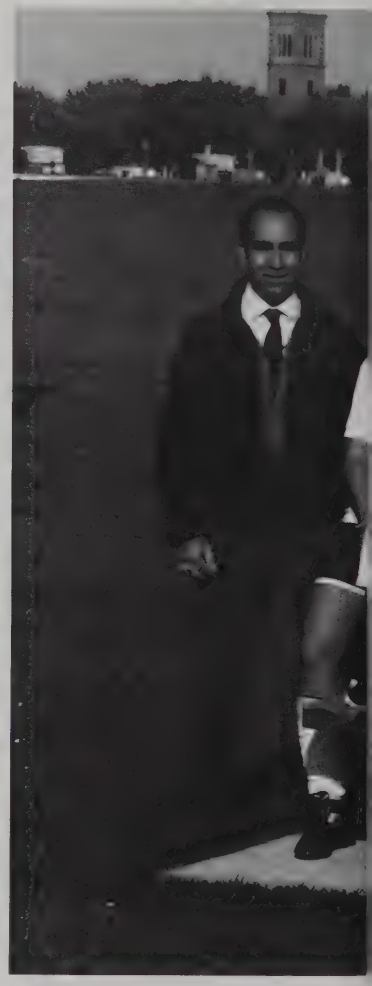

"Falcons, Falcons block their pass! Falcons, Falcons kick their a--!"

Paul is about to make a big splash as he skillfully dives into the water.

Though the golf team has dwindled in size over the past few years, it hasn't deprived the fun this year's team had.

Seante is a fine example of the typical CRLS student. Combining hard work and determination, he's a winner!

Diego retaliates against the opposition by firing the ball back across the net.

Julie wiggles her hips and flashes a winning smile as she tries to escape the trecherous sand trap.

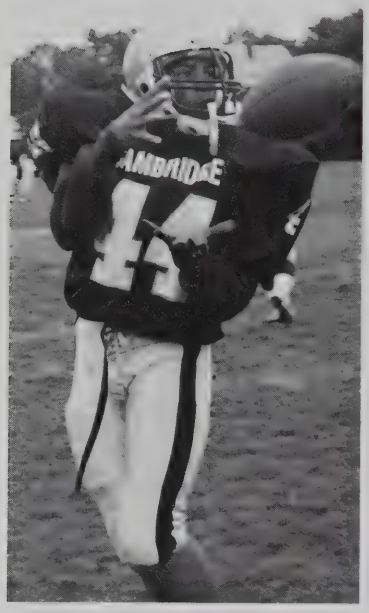

Striking a pose here, Erin appears sweet and dainty. But beware because inside lurks a player the caliber of a Monica Seles.

The girls soccer team is comprised of a group of tough young females that showed a lot of tenacity and dedication this year.

Curtis shows off for the camera during halftime.

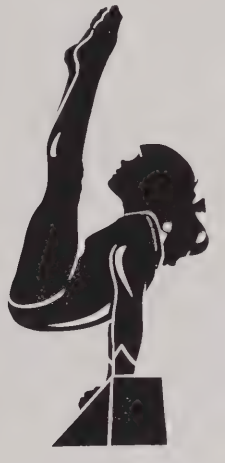

It takes tremendous endurance and speed to be a runner, but Lena here shows us what she's made of by breezing past the competition.

The CRLS indoor track team has never been better. Led by some excellent runners this year they stand poised as one of the state's best!

Taking a deep breath, Malaika displays power and grace as she jumps over the hurdle.

Who said cheerleading wasn't a real sport? Combining athleticism with verbal skills, the CRLS cheerleaders are one of the hardest working teams in this school.

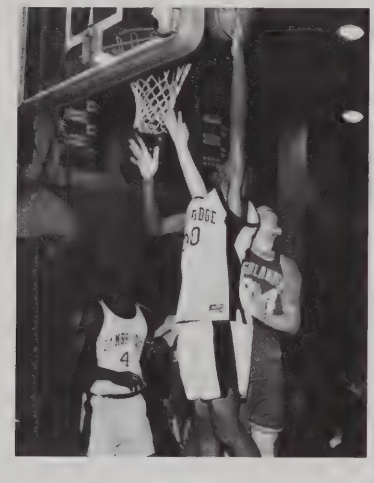

You've heard of a mermaid? Well here's a mertube. Ain't she swimmin?

Disappointment shrouded the last few years but this year's volleyball team proved they were winners with some strong wins, ending with a solid record.

Though the baseball team doesn't receive as much exposure as other teams, that doesn't mean they are lacking in talent. Ariel here proves that as he winds up for a curve ball.

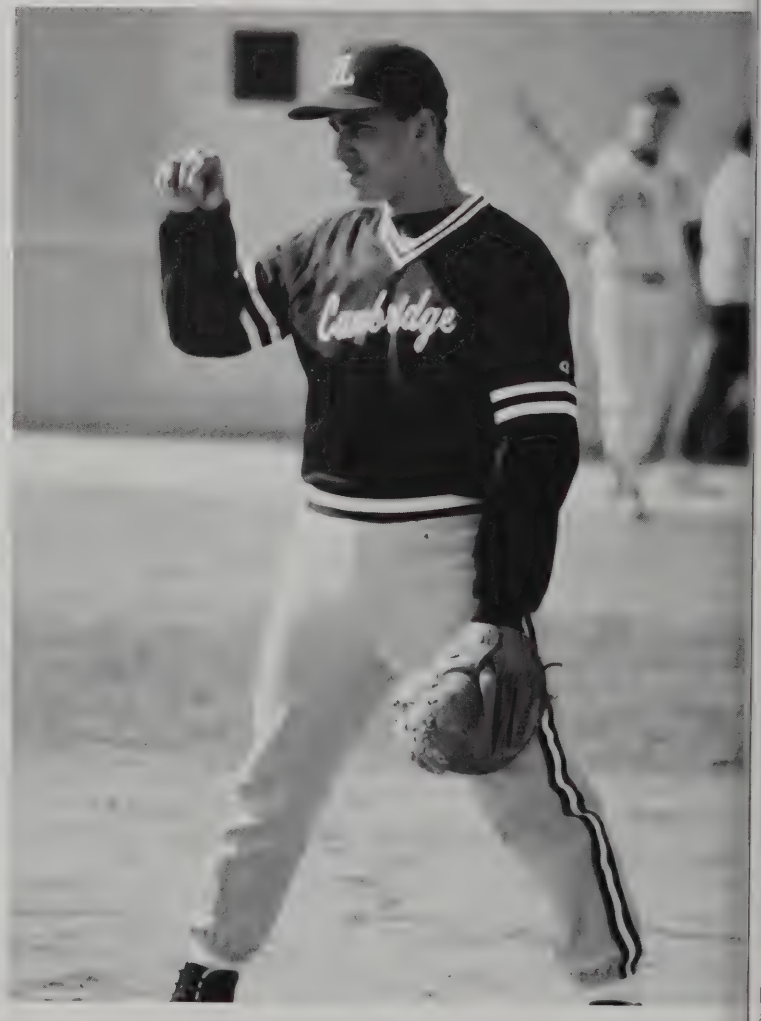

Up, up and away

FASTER
THAN THE HUMAN EYE . . .

Track, volleyball and the baseball teams were formidable opponents to any team. They can float like a butterfly and sting like a bee!

The girls basketball team show their athletic skill and talent as they try to shoot the ball into the hoop.

During practice the girls play hard among themselves to sharpen their playing skills and instincts.

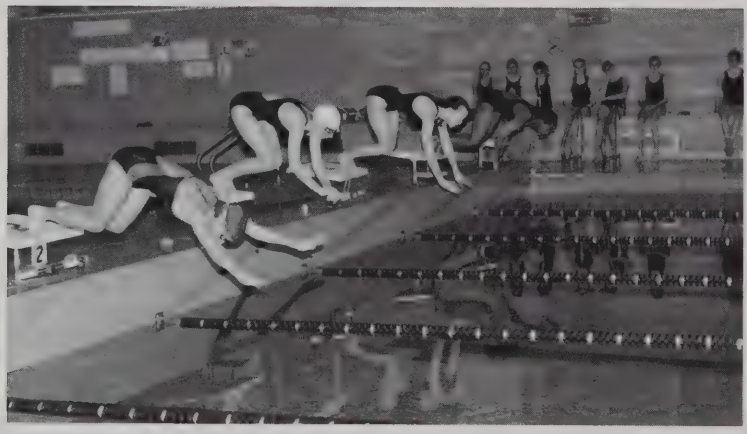

Not only is Peter a martial arts expert but he's also a superb tennis player. Focusing his concentration on the ball, he prepares to ace it over the net.

The CRLS track team is one of the most successful sports teams in the school. Here in this photograph are three of the team's top runners.

CRLS sports

Playing at their best . . .

The competition begins as the girls dive into the pool. Could it be that one of these girls will be the next Olympic gold medalist? Wait and watch!

The girls outdoor track team had a smashing year. Though they love to win as much as any other team, good sportsmanship and having fun is their #1 priority.

The girls volleyball team always have an outstanding season and this year was no different as they finished in an enviable position.

Soccer is a rough and tumble sport and like their female counterparts the guys are playing at the top of their game.

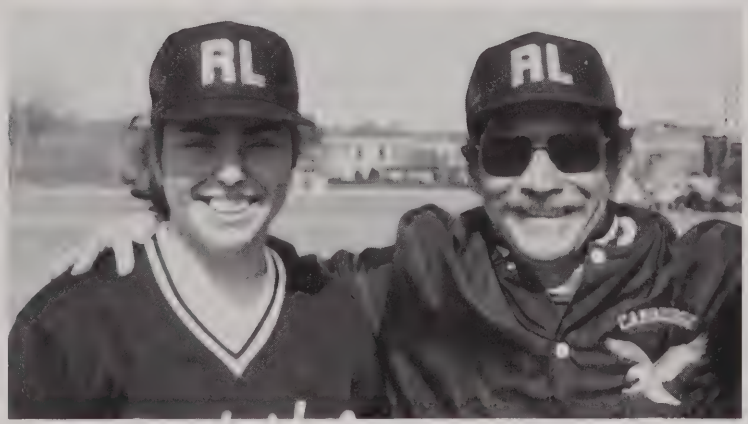

Rachel glides down like a bird as she gives a mighty kick to the ball, aiming at the opponent's goal.

Comprised of an impressive array of athletic ability, speed and strength, the boys swim team had a very strong performance this year.

Coach Priest smiles in a picture with his softball player Sandra after a hard day at practice.

Although the CRLS hockey team hasn't generated much publicity, the team's popularity has increased in the past few years.

Special thanks to Coach Al Coculuto for all the good times with CRLS Boys' Basketball — all 17 years!!!!

Curtis musters all his strength as he attempts to hurl the javelin as far as the eye can see.

The girls basketball team is comprised of some of CRLS's most athletic girls. Truly an impressive assemblage of talent and ability.

SENIOR CLASS PORTRAITS

Principals Message

Dear Graduates:

Where does the time go? It seems like yesterday that I was welcoming you to the Cambridge Rindge and Latin School as a freshman. You were nervous and unsure of what you wanted to do with your life.

Now four years later, you are completing one phase of your long journey to adulthood and must make some important decisions on where you go from here. For some it maybe working full-time, raising a family or going onto further education. No matter what your plans are, it is my hope and that of the faculty, that we have guided and nurtured you along this difficult road by providing you with the academic, vocational, social and emotional tools needed to meet the many challenges of tomorrow.

As time passes and you reflect upon your years at CRLS, we hope that you will see it as a time of personal growth and full of fond memories.

Sincerely

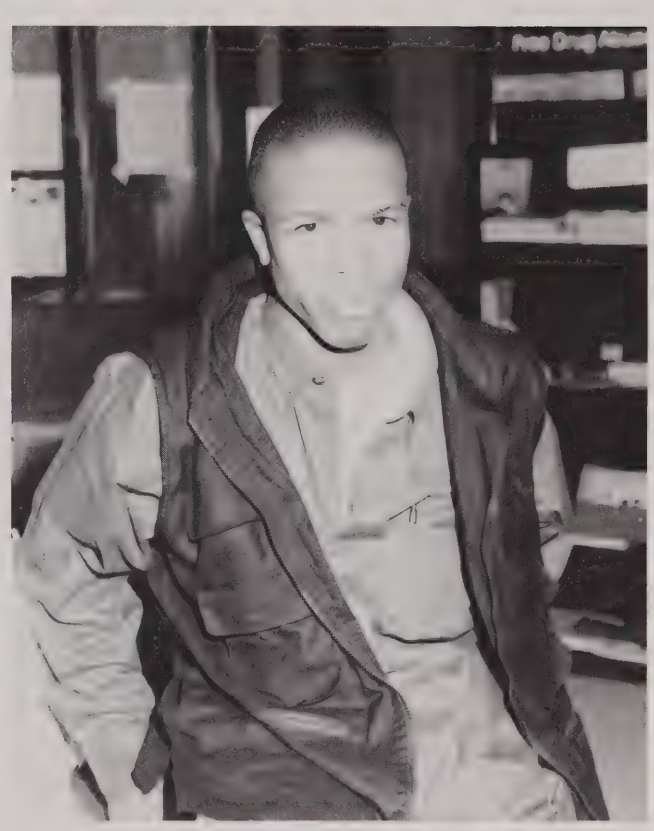

Edward R. Sarasin

Seniors of the Class of '93; we've come to the end of a hard road and now it's time to say good-bye. In this class, you will find potential doctors, lawyer, educators, Politicians, business executives, ministers, and much, much more. We can say that we all share a common goal — graduation!! To coin a phrase, "We've come a long, long way, but we've got a long, long way to go. If you can't run, walk. If you can't walk, crawl. But by all means keep moving."

Oh know! Don't cut it all OFF! I still want to be mayor.

Babies are the most precious people in this world and the little tykes here are the personification of angels. It's hard to believe that some of the kids we know now could have once been such little cuties. Here are some photographs of this year's graduation class when they were younger and more angelic!!!!!
